

BRUCE TV QUICK START GUIDE

Introduction

Welcome to Bruce TV!

The set-top box is your gateway to Bruce TV interactive television service
Including:

Favourite Channels
Video on Demand
Personal Video Recorder (optional)
Parental Locks

Your full guide to accessing these services through the remote control unit can be found at www.brucetelecom.com under Digital TV.

NOTE: If requested, default password is 1 2 3 4.

1. Initial Startup

When you connect power to your set-top box *for the first time*, it will update and configure itself.

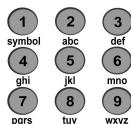

IMPORTANT: Do not disconnect power to the set-top box until Startup is complete. This will take up to 10 minutes. During this time the set-top box will shut down and start up again, lights may flash or blink, and messages will appear on your TV screen.

Startup is complete when the TV starts playing.
